8 v.

9 James Dzurenda, et al.,

10 Defendants.

Case No. 2:20-cv-01923-ART-DJA

Order

11 This matter is before the Court on its review of the docket. The Court granted Plaintiff's
12 motion for appointment of counsel on March 16, 2023. (ECF No. 32). In that order, the Court
13 found that Plaintiff had demonstrated exceptional circumstances because he was residing at the
14 Wells Conservation Camp, which is rurally located and lacks a law library. However, Plaintiff
15 has since updated his address, which address indicates that he is no longer in custody. As a result,
16 it is unclear whether Plaintiff still faces the same circumstances that previously warranted
17 appointing counsel. The Court will thus require Plaintiff to file a status report indicating whether
18 he still wishes for the Court to appoint counsel and, if so, how his current situation constitutes
19 exceptional circumstances.

20 **IT IS THEREFORE ORDERED** that Plaintiff must file a status report on or before
21 **December 6, 2023** indicating whether he still wishes the Court to appoint him counsel and, if so,
22 how his current situation constitutes exceptional circumstances.

23 **IT IS FURTHER ORDERED** that the Clerk of Court is kindly directed to mail Plaintiff
24 the Court's prior order granting counsel (ECF No. 32) so that Plaintiff may reference the
25 exceptional circumstances standard.
